DINNER MEETING

Tuesday, May 18, 2010

Pappadeaux

76 N. East Loop 410

6:00P Social ♦ 6:30P Dinner/Program-

TOPIC: MEET AND GREET WITH TEAM: **SUNDT**

SUNDT WAS FOUNDED IN 1890 by Mauritz Martinsen Sundt, A Norwegian ship carpenter who immigrated to the United States as a teenager. The company's early projects were homes and farm structures in northern New Mexico. In 1929, the company ventured outside of New Mexico for the first time to build a Methodist Church in Tucson, Arizona. It was in 1952 when Sundt diversified its operations by entering the heavy construction field and ventured into the international area with the construction of sewage treatment facilities in Trinidad, West Indies. From there, Sundt has continued to grow into the corporation it is today with offices located in Arizona, California, Nevada and Texas.

We invite you to Join the management team of Sundt as they introduce the company, talk about their past projects; give their views on the condition of the construction industry/economy and the inside scope on possible projects they have coming down the pipeline.

SEATING IS LIMITED!

\$40pp (Members) \$60pp (Non-members)
